

Contract For RTC-TV Video Programming Service

This contract is entered into by _____ (Subscriber) and Daviess-Martin Rural Telephone Company dba RTC Communications (Provider) beginning on _____. **This contract may be cancelled, for any reason, by the subscriber, within thirty (30) days from this date.**

The Subscriber agrees to subscribe to the Provider's **Expanded Basic** television video service, RTC-TV, for a period of twelve (12) consecutive months, without interruption, from the above date at a rate of **\$59.99** per month plus any applicable taxes or fees. *(Without this agreement, normal installation and set top box fees apply.)* In exchange, the Provider will supply the Subscriber with a DSL modem and the appropriate number of set top box(es) for the Subscriber's use. After paying for twelve (12) consecutive months of service, the DSL modem and set top box(es) become the property of the Subscriber. If the Subscriber fails, in any regard, to continue the RTC-TV service for twelve (12) consecutive months, **after the initial one (1) month free period**, the Provider reserves the right to apply a charge of \$273 per set top box, \$479 for digital video recorder set top box, \$116.95 for the DSL modem, and any applicable taxes and fees, plus the initial installation charge of \$95, to the Subscriber's monthly bill for payment of the Provider's set top box(es) and DSL modem.

The Provider does not warrant the DSL modem or set top box(es) for any defects except those covered under the original manufacturer's warranty. The Subscriber is solely responsible for the good working order of the DSL modem and set top box(es) and the protection of same from damage, including Acts of God i.e. lightning. The subscriber understands the Provider will not replace the DSL modem and/or set top box(es), without a fee, if they become damaged. Damage to the DSL modem, set top box(es), televisions, or other video equipment does not relieve the Subscriber from the liability of payment for video programming service.
